## Info-Days (Horizon 2020)

The European Commission is organizing InfoDays on Horizon 2020. The events aim to highlight the novelties of the 2014-2015 Work Programmes and will provide guidance on the preparation and submission of proposals:

- **Climate Action, Environment, Resource Efficiency & Raw Materials**

12 November 2013, Brussels

Details and program: [http://ec.europa.eu/research/environment/index\\_en.cfm?pg=events&eventcode=82B9816A-F1DB-AF81-2607E2CCFD22F439](http://ec.europa.eu/research/environment/index_en.cfm?pg=events&eventcode=82B9816A-F1DB-AF81-2607E2CCFD22F439)

Watch the event online:

<https://scic.ec.europa.eu/streaming/index.php?es=2&sessionno=f1298750ed09618717f9c10ea8d1d3b0>

- **Health, Demographic Change and Wellbeing**

22 November 2013, Brussels

Details and program: [http://ec.europa.eu/research/health/horizon-2020-health-open-info-days\\_en.html](http://ec.europa.eu/research/health/horizon-2020-health-open-info-days_en.html)

The Info-Day will be available for viewing online and after the event

- **Energy Info-Day & Brokerage Event**

05-06 December 2013, Brussels

Program and registration for the info-day will be available soon:

<http://www.b2match.eu/energycall2014/pages/infoday>

Program and registration for the brokerage event: <http://www.b2match.eu/energycall2014>

- **Presentations from the info-day on "SMEs and Horizon 2020" (held on October 18th) are available at:** [http://ec.europa.eu/research/sme-techweb/index\\_en.cfm?pg=h2020\\_event\\_programme](http://ec.europa.eu/research/sme-techweb/index_en.cfm?pg=h2020_event_programme)

- **Presentations from the info-day on "Bringing Israel's water innovation to the EU: opportunities for Israeli entities in European programs (held on October 24) are available at:** <http://www.iserd.org.il/default.asp?id=562>

## Open Calls:

### IMI (Innovative Medicine Initiative) 10th call for proposals official launch on October 29:

This call has one indicative topic: *Immunological assay standardization & development for use in assessments of correlates of protection for influenza vaccines.*

IMI is a Public-Private Partnership (PPP) between the pharmaceutical industries (EFPIA) and the European Commission. The Indicative budget of each call is matched by the in-kinds contribution of EFPIA.

**Deadline for submissions of Expressions of Interest (EOI) is January 28 2014**

Work program is available on IMI website: <http://www.imi.europa.eu/content/10th-call-2013-10>

### OCS Bi-Lateral calls:

Israel – Greece: Bottom up; Industrial R&D in all sectors. Deadline for submission: November 7<sup>st</sup>, 2013.

Israel – Spain: Bottom up; Industrial R&D in all sectors. Deadline for submission: November 14<sup>th</sup>, 2013

Israel – Czech Republic: Bottom up; Industrial R&D in all sectors. Deadline for submission: December 6<sup>th</sup>, 2013

Israel – Hungary: Bottom up; Industrial R&D in all sectors. Deadline for submission: December 30<sup>th</sup>, 2013

Israel– France: “open call”; Industrial R&D in all sectors.

### Acqueau Open Call

ACQUEAU is a EUREKA Cluster dedicated to **environmental and water related technologies**. It is industry driven, dedicated to water related technologies and innovation and aims at promoting innovation and market driven solutions to develop new technologies in the European water sector.

The EUREKA ‘Label’ is awarded to project proposals with the potential of developing breakthrough innovations. It allows successful consortia to apply for national funding (funding is based on the OCS of the Economy rules).

**Deadline for submissions of a Project Outline: 1st quarter of 2014**

This call is based on themes: Water & Energy – Sustainable Water Management; Water & Industry – ensuring a sustainable use of water in industrial processes.

ACQUEAU website: <http://www.acqueau.eu/>

Presentations from the info day that was held in Brussels: <http://www.acqueau.eu/workshop>

### EUROGIA 2020

EUROGIA is the EUREKA Cluster for **low carbon energy technologies**. It is industry driven, market oriented programme which addresses all areas of the energy mix, from renewable energy to efficiency, and reduction of carbon footprint of fossil fuels.

EUROGIA2020 goal is to support and promote international partnerships developing innovative projects in low-carbon energy technologies.

It addresses all innovative energy technologies that will:

- reduce the carbon footprint of energy production and use
- develop new technologies for energy such as solar, wind, biomass, geothermal, energy efficiency, etc.

**The next deadline for the submission of a project application: February 14th 2014.**

EUROGIA 2020 Website: <http://www.eurogia.com/>

## Events

### ▪ Fuel Cell and Hydrogen Joint Undertaking Program Review Days & 6th Stakeholder General Assembly

**11–13 November 2013, Brussels**

Leading speakers from the fuel cell and hydrogen community including European Commissioners and high-level representatives from the EU Member States will meet on the occasion of the 2013 Stakeholder General Assembly of the Fuel Cells and Hydrogen Joint Undertaking.

This high-level forum will mark the 10th anniversary of a European FCH strategy and take stock of exciting new developments in the sector. Importantly, it will set out the strategic vision of how fuel cells and hydrogen can help achieve EU 2020 targets.

This year's session will be closely linked to the FCH JU Program Review Days on 11 and 12 November 2013. The meeting will assess progress in the portfolio of fuel cells and hydrogen projects in the context of targets fixed in the multi-annual and annual strategic agenda of the FCH JU program as well as international developments in the field.

Details and program: [www.fch-ju.eu](http://www.fch-ju.eu)

Registration: <https://fch-ju-2013.teamwork.fr/en/registration>

### ▪ VILNIUS Innovation Forum 2013 "Innovation Drift"

**4–6 December 2013, Vilnius**

Vilnius Innovation Forum 2013 "Innovation Drift" is an international event designed to create a high-level discussion platform about innovation, best practices and impact for European economy growth and well-being including the situation in various countries and regions (foremost, the Baltic sea region). The registration to the Event is now OPEN.

During the Forum the National launch event for Horizon 2020 and the parallel session on INNOVATIVE MEDICINES INITIATIVE (IMI) will be organized.

Key SPEAKERS:

- Sir Tim Berners-Lee, Inventor of the World Wide Web
- Robert-Jan Smits, Director-General of RTD at the European Commission
- Christoph Rähke, Founder and CEO, Berlin Startup Academy
- Cheryl Miller, Digital Social Entrepreneur, founder, Zen Digital Europe among many others.

Details and program: <http://www.vif2013.com/>

Registration: <http://vif2013.com/pagrindinis/registration>

## News:

### SIEMENS joined EUROGIA2020 Board of Directors

SIEMENS officially joined EUROGIA2020 Board of Directors on September 16, 2013 in Paris at the annual General Assembly of EUROGIA2020. The accession of SIEMENS was approved by the Board of Directors unanimously.

EUROGIA2020, the EUREKA Cluster for low carbon energy technologies, supports the development of innovative low carbon energy technologies through transnational and innovative projects. 'SIEMENS will bring its expertise and tremendous experience to foster low carbon energy technologies' said EUROGIA2020 Chairman, Mr Raul Manzanas Ochagavia.

Dr Klaus Willnow, the director of innovation cooperations in the Energy Sector, will be the representative of SIEMENS to the EUROGIA2020 Board.

EUROGIA2020, the EUREKA Cluster for low carbon energy technologies, is a bottom up, industry driven, market oriented program which addresses all areas of the energy mix from renewable energy to efficiency, and reduction of carbon footprint of fossil fuels.
